

STUDENT BEHAVIOR CONTRACT

FSPA convention delegates have established a record of good behavior, primarily because the rules are clearly stated in the behavior contract, which must be reviewed and signed by all delegates prior to departure for the convention. Student delegates are required to read the rules and sign this document to indicate that they accept the responsibility for appropriate behavior throughout all convention activities.

Parents of student delegates also are required to sign the behavior contract as an indication of their willingness to release the student to the care of the adviser or chaperone approved and designated by the school. Additionally, the principal or designee must sign this form.

Convention rules are intended to keep all our delegates safe and to give everyone an equal opportunity to benefit from convention activities. Appropriate behavior will ensure an enjoyable, productive convention experience.

- Curfew is 10:30 for Middle School students and 11:30 for High School Students on Thursday and Friday. All students must be in their assigned rooms at that time. Students will be given a reasonable amount of time after the close of the last convention event to honor curfew.
- Visitation by students of the opposite sex in hotel rooms must be supervised by advisers. Visitation is prohibited after curfew.
- Students must make their whereabouts known to their chaperone in charge at all times. Students should refrain from going anywhere alone.
- Students must remember that the convention is a school-sponsored event. The use of alcohol, tobacco products or any illegal substances is prohibited.
- Students should wear school appropriate clothing at all times.
- Students must always wear their convention wristbands.
- Friday night, Middle School students will have a planned activity and are prohibited from attending the dance.
- Rudeness to hotel guests and hotel employees; excessive noise in all hotel areas; destruction of property; or any other inappropriate behavior is unacceptable and can lead to expulsion from the hotel and/or criminal prosecution. Should individual students, advisers or delegations prove disruptive, FSPA official reserve the right to declare all fees forfeited, and to send delegates home at their own expense.

The following rules are deemed especially serious and will result in the immediate suspension of the student's publication from FSPA activities for one year, including all convention events. All convention awards will also be automatically forfeited. A serious infraction is defined as, but not limited to:
